ICE CREAM SHOULD BE BIG. YOUR INSURANCE COMPANY SHOULDN'T BE.

There's a reason people choose smaller towns and rural living.

It's a great place for family, getting to know your neighbours and avoiding the big city rush. These are just some of the reasons you're here.

Ontario Mutuals are part of the fabric of communities across the province, and have been for generations. Like you, we're about relationships, Monday night soccer, and getting together at the ice cream parlour. When it comes to protecting what's important, we prefer to deal with a neighbour, not a stranger.

Every mutual company is 100% Canadian and owned by the policyholders. Even the board of directors for each mutual company is comprised of elected policyholders like you. That's why mutuals focus on providing the kind of personal service you would want.

It's one of the many reasons to become a policyholder with an Ontario Mutual.

WE'RE PART OF SOMETHING AMAZING. YOU CAN BE, TOO.

Don't let our size fool you.

We provide innovative, personalized products for residential properties, automobiles, contractors and businesses, and farm operations. Although we're independent companies, together we form one of the most financially secure insurance networks anywhere in the world. Ontario Mutuals collaborate to develop insurance solutions that suit rural living in Ontario. You can rest assured that we'll be here with the products and claims services you need – not only for today, but for all of your tomorrows.

The amazing thing is that when you insure with Ontario Mutuals, it's like buying your food locally. You have the security and peace of mind of dealing with neighbours that understand your needs in a personal way – the old-fashioned way. You may see us in the grocery store, or maybe at the arena. But when you call us, you'll reach a person that may be only a few kilometers down the road – not an automated voice from an off-shore call centre.

OWNED AND DIRECTED BY, WELL, YOU.

Here's the difference between Ontario Mutuals and the large multi-national companies.

Ontario Mutuals operate on a member value basis. That means we pour our resources into service and long term value for the policyholder - not returns for shareholders. As a policyholder, you have a vote in electing the board of directors that will govern the successful operation of the company.

We also jointly own a reinsurance company – The Farm Mutual Reinsurance Plan Inc. It's like insurance for insurance companies, and it allows

When it comes to protecting what's important, we prefer to deal with a neighbour, not a stranger.

us to protect you to a greater degree than any one company could do individually.

Add our passion for service, and it's a combination that other companies that compete solely on price just can't match.

ONTARIO MUTUALS HAVE ROOTS IN RURAL ONTARIO THAT GO WAY BACK – OVER 150 YEARS.

Our Roots Are Showing.

We began on the farm, providing insurance products to Ontario's agricultural pioneers. We're still 46 members strong in communities like Dunnville, St. Thomas and Spencerville.

Today, we proudly sponsor programs or charities that are important to your community. We are among the largest sponsors of 4-H Ontario, contributing to all levels of the organization including the local 4-H club near you.
