INSURANCE FOR LIVING TODAY

PEACE OF MIND – STANDARD ON EVERY POLICY FROM AN ONTARIO MUTUAL

Whether it's driving to the office, to the next field or getting the kids to soccer, making sure you have the protection you need to keep you on the road is what Ontario Mutuals do.

When you insure with an Ontario Mutual, you're placing your trust in a neighbour – someone who lives in your community and drives the same roads that you do. When accidents happen on that tricky stretch of road or near that certain busy intersection – we can relate. We're familiar with the driving conditions you face each and every day.

Our Auto Insurance Program provides you with options that may include:

- Higher accident benefit limits
- Protection Plus – qualified drivers may 'protect' their driving record following an accident
- Emergency Road Service Excess Coverage - reimburses you for up to \$50 for any emergency service you need for your vehicle
- Coverage for Transportation Replacement – to keep you going when your vehicle is out of service because of an insured loss
- Rental Vehicle Liability Insurance - so you no longer have to buy coverage sold by a rental company

GREAT WAYS TO SAVE MONEY WITH ONTARIO MUTUALS

We can make your insurance as affordable as possible with coverages that take advantage of your excellent driving record.

- Insure your home, condominium unit or farm residence with us and you may be eligible to save on your auto policy premiums
