

**Town & Country  
Mutual Insurance**

*Stability. Security. Close to home.*

**INTRODUCING our new  
Water Protection coverage**  
- a combined overland water and sewer back-up  
solution in one easy-to-understand endorsement.

**Changing weather means  
bigger headaches**

**The Town &  
Country Solution**

- 💧 New, simplified water damage protection
- 💧 Comprehensive coverage for homeowners, tenants, renters and seasonal properties
- 💧 Peace of mind for you and your family

Climate change, aging housing, catastrophic weather events and seasonal changes — these are all reasons why water damage is now the #1 contributor to claims in the Province today.

Our Water Protection program offers comprehensive water damage coverage now, to the vast majority of qualifying policyholders.

To provide the best, most comprehensive coverage in the marketplace, in a simplified package that makes it very clear exactly what's covered.

**It's simply the smartest  
solution out there.**

**Our phased-in approach has begun**

*With our phased in approach, starting **February 1, 2018**, all eligible locations having sewer backup coverage will automatically receive Water Protection at **no additional cost** until their renewal.*

**Renewals**

New business & Renewal documents will clearly show the Water Protection endorsement where eligible beginning April 1, 2018.
